10. PERSONAL PROPERTY TAXES. Lessee agrees that it will not list any of such Equipment for property tax purposes or report any property tax assessed against such Equipment until otherwise directed in writing by Lessor. Upon receipt of any property tax bill pertaining to such Equipment from the appropriate taxing authority, Lessor will pay such tax and will invoice Lessee for the expense. Upon receipt of such invoice, Lessee will promptly reimburse Lessor for such expense.

11. END OF BASE TERM OPTIONS.

(a) OPTION TO RENEW. (1) Provided that no Default or Event of Default has then occurred, Lessee shall have the option to renew this Equipment Schedule, with respect to all but not less than all of the Equipment, at the expiration of the Base Term of this Equipment Schedule, on the terms and conditions as are agreed between the Lessee and Lessor. If Lessee desires to exercise this option it shall give Lessor irrevocable written notice of its request to renew this Equipment Schedule at least one hundred twenty (120) days before expiration of the Base Term.

(b) OPTION TO PURCHASE. Lessee shall have the option to purchase, upon the expiration of the Base Term of this Equipment Schedule, all but not less than all of the Equipment upon the following terms and conditions: If Lessee desires to exercise this option it shall give Lessor irrevocable written notice of its election to purchase at least one hundred twenty (120) days before expiration of the Base Term of this Equipment Schedule in accordance with its terms. At the expiration of the term of this Equipment Schedule, Lessee shall pay to Lessor in cash any Rent due on that date plus the purchase price for the Equipment, determined as hereinafter provided. The purchase price of the Equipment shall be an amount equal to its then Fair Market Value, together with all taxes and charges upon sale.

For purposes of this Section, "**Fair Market Value**" shall be deemed to be an amount equal to the sale price of the Equipment, as installed and in use, obtainable in an arms' length transaction between a willing and informed buyer and a willing and informed seller under no compulsion to sell (and assuming that, as of the date of determination, the Equipment is in at least the condition required by Section 13 of the Lease and Section 12 hereof). Lessor and Lessee may agree as to the Fair Market Value for the Equipment. If the parties are unable to agree on the Fair Market Value of the Equipment, then Lessor and Lessee shall, at Lessee's expense, obtain appraisal values from three independent appraisers (one to be selected by Lessor, one by Lessee, and the other by the two selected by Lessor and Lessee; each of whom must be associated with a professional organization of equipment or personal property appraisers, such as the American Society of Appraisers) and the average Fair Market Value as determined by such appraisers shall be binding on the parties hereto. If the appraisers selected by Lessor and Lessee are unable to agree on the third appraiser, then Lessor will select the appraiser to provide the third appraisal value. Notwithstanding anything herein to the contrary or any determination of Fair Market Value for the Equipment as provided above, the Fair Market Value under this Section 11(b) for the Equipment shall be an amount that is not less than \$544,954.89 nor more than \$817,432.33

Notwithstanding any election of Lessee to purchase, the provisions of the Lease shall continue in full force and effect until the passage of ownership of the Equipment upon the date of purchase. On the date of purchase, Lessor shall deliver to Lessee a bill of sale transferring and assigning to Lessee without recourse or warranty, except (with respect to the status of title conveyed) in respect of Lessor's acts, all of Lessor's right, title and interest in and to the Equipment. Lessor shall not be required to make and may

specifically disclaim any representation or warranty as to the condition of the Equipment or any other matters.

(c) OPTION TO RETURN THE EQUIPMENT. If Lessee has not elected to renew this Equipment Schedule or purchase the Equipment leased hereunder one hundred twenty (120) days before expiration of the Base Term of this Equipment Schedule, or if Lessee has opted to renew the Lease but Lessee and Lessor are unable to agree upon renewal terms and conditions by at the end of such sixty (60) days before expiration of the Base Term of this Equipment Schedule, then Lessee shall promptly return the Equipment in accordance with the terms of the Lease, including Section 12 hereof.

12. EARLY PURCHASE OPTIONS

(a) Provided that no Default or Event of Default has then occurred, Lessee shall have the option to purchase, upon any date on which Basic Rent is scheduled to be paid during the original term of this Lease (the date on which Lessee exercises this option being the "Early Termination Date"), all but not less than all of the Equipment leased hereunder upon the following terms and conditions: If Lessee desires to exercise this option it shall give Lessor written notice of its election to purchase at least thirty (30) days and not more than ninety (90) days before the Early Termination Date. On the Early Termination Date, Lessee shall pay to Lessor the aggregate of (i) any Rent due on that date, (ii) the Present Value (as defined below) of all remaining Rent payments scheduled hereunder, (iii) the Present Value of the Purchase Option Price that would have been paid under Section 11(b) hereof, and (iv) all taxes and charges due upon sale of the Equipment.

(b) "Present Value" of an amount due hereunder is the product of that amount discounted from its scheduled payment date to the date of calculation at the per annum interest rate of 2%.

14.

CONSENT TO LESSEE. (a) QuarterNorth Energy LLC agrees that although it is not a party to the Lease, this Schedule and QuarterNorth Energy LLC's obligations, rights, liabilities and rights hereunder are subject to the Lease as if QuarterNorth Energy LLC had been a party thereto. References herein and in the Lease (as incorporated herein) to "Lessee" shall be deemed to refer to QuarterNorth Energy LLC. (b) Lessor agrees that QuarterNorth Energy LLC shall be the Lessee hereunder and under the Lease as the Lease relates to this Schedule.

Fieldwood Energy I LLC hereby requests Lessor to agree that QuarterNorth Energy LLC shall be the Lessee hereunder and that this Schedule shall be a Schedule as defined in the Lease and Lessor, by its execution of this Schedule, hereby agrees.

The purchase price of the Equipment shall be an amount equal to its then Fair Market Value, together with all taxes and charges upon sale.

For purposes of this Section, "**Fair Market Value**" shall be deemed to be an amount equal to the sale price of the Equipment, as installed and in use, obtainable in an arms' length transaction between a willing and informed buyer and a willing and informed seller under no compulsion to sell (and assuming that, as of the date of determination, the Equipment is in at least the condition required by Section 13 of the Lease and Section 12 hereof). Lessor and Lessee may agree as to the Fair Market Value for the Equipment. If the parties are unable to agree on the Fair Market Value of the Equipment, then Lessor and Lessee shall, at

Lessee's expense, obtain appraisal values from three independent appraisers (one to be selected by Lessor, one by Lessee, and the other by the two selected by Lessor and Lessee; each of whom must be associated with a professional organization of equipment or personal property appraisers, such as the American Society of Appraisers) and the average Fair Market Value as determined by such appraisers shall be binding on the parties hereto. If the appraisers selected by Lessor and Lessee are unable to agree on the third appraiser, then Lessor will select the appraiser to provide the third appraisal value. Notwithstanding anything herein to the contrary or any determination of Fair Market Value for the Equipment as provided above, the Fair Market Value under this Section 11(b) for the Equipment shall be an amount that is not less than \$1,025,973.88 nor more than \$1,538,960.82

Notwithstanding any election of Lessee to purchase, the provisions of the Lease shall continue in full force and effect until the passage of ownership of the Equipment upon the date of purchase. On the date of purchase, Lessor shall deliver to Lessee a bill of sale transferring and assigning to Lessee without recourse or warranty, except (with respect to the status of title conveyed) in respect of Lessor's acts, all of Lessor's right, title and interest in and to the Equipment. Lessor shall not be required to make and may specifically disclaim any representation or warranty as to the condition of the Equipment or any other matters.

(c) OPTION TO RETURN THE EQUIPMENT. If Lessee has not elected to renew this Equipment Schedule or purchase the Equipment leased hereunder one hundred twenty (120) days before expiration of the Base Term of this Equipment Schedule, or if Lessee has opted to renew the Lease but Lessee and Lessor are unable to agree upon renewal terms and conditions by at the end of such sixty (60) days before expiration of the Base Term of this Equipment Schedule, then Lessee shall promptly return the Equipment in accordance with the terms of the Lease, including Section 12 hereof.

12. EARLY PURCHASE OPTIONS

(a) Provided that no Default or Event of Default has then occurred, Lessee shall have the option to purchase, upon any date on which Basic Rent is scheduled to be paid during the original term of this Lease (the date on which Lessee exercises this option being the "Early Termination Date"), all but not less than all of the Equipment leased hereunder upon the following terms and conditions: If Lessee desires to exercise this option it shall give Lessor written notice of its election to purchase at least thirty (30) days and not more than ninety (90) days before the Early Termination Date. On the Early Termination Date, Lessee shall pay to Lessor the aggregate of (i) any Rent due on that date, (ii) the Present Value (as defined below) of all remaining Rent payments scheduled hereunder, (iii) the Present Value of the Purchase Option Price that would have been paid under Section 11(b) hereof, and (iv) all taxes and charges due upon sale of the Equipment.

(b) "Present Value" of an amount due hereunder is the product of that amount discounted from its scheduled payment date to the date of calculation at the per annum interest rate of 2%.
